2	Clinical Health Economics	
3	Biostatistics	
4	Health Policy	
5	Health Social Sciences	

**Remuneration** - For theory classes -Rs.1000/-(One thousand only) per hour subject to a maximum of Rs.3000/- per day.

### General Conditions:

- The engagement will be on hourly basis.
- The faculty included in the panel should submit original certificates to prove age and qualification before the Professor, School of health policy and planning studies, Thiruvananthapuram on commencement of the class.
- There will not be future claim for appointment by virtue of this appointment.
- University reserves the right for cancellation of proceedings in full or in part as per this notification without assigning any reason thereof.
- All the classes are on Saturdays or Sundays only.
- The classes are housed at the office of School of health policy and planning studies at Thiruvananthapuram
- By no means this will be recommended by the University as part of their duty and the classes need to be taken during the personal time of the faculty like weekly off days or Sundays.

- You have to prepare the class materials preferably in the form of notes and Ppt slides and give at least three days ahead of the scheduled classes as electronic copy to the Professor, School of health policy and planning studies, Thiruvananthapuram.
- As clinical epidemiology is a skill based subject assignment is needed with every class note.
- The resource person should be present ten minutes before starting the class and be available throughout the class.
- List of reading material for preparation of class note will be available with the Professor, SHPPS and you can consult the Professor for any clarifications in this regard.

The duly filled in applications should be forwarded to the mail id [shpvtvpm2016@kuhs.ac.in](mailto:shpvtvpm2016@kuhs.ac.in) along with copies of certificates proving age, qualification, experience, current affiliation (Presently working institution) on or before **08/06/2020**.
