Order

The 23rd meeting of Board of Examinations has considered, among others, the matter pointed out by Dr.S.Sankar, Dean Allied Health Sciences, with respect to the practical difficulty faced by Examination sections in the University in handling the applications for mercy chances submitted just before (2-3 days) before the dates of examinations. As the examination sections need adequate time for seeking approval for mercy chance at various stages depending upon the number of mercy chance requested for, for notifying, for preparing QP etc, it was suggested to fix a minimum required time for processing the requests for mercy chance. The committee discussed the matter and decided **to consider applications with sufficient and relevant documents for granting mercy chances if applied, at least within a period of 15 days from the date of issue of notification for the Examination. It was also decided that applications received after 15 days of notification will not be entertained and that this fact shall be included in the Notification itself,** vide paper read as (1) above.

The 57th meeting of Governing Council held on 04.10.2019 has considered the matter vide its Agenda No. 57.21 and resolved to approve the decision of the Board of Examinations, vide papers read as (2) above

Vide reference (3) cited above, the Honourable Vice Chancellor has accorded sanction to implement the decision of the Governing Council with respect to the decision of the Board of Examinations.

Orders are issued accordingly.
