ACADEMIC SECTION

No. 4246/AC.B2/2016/KUHS

Thrissur, dated: 06/05/2016

- Read: 1. BASLP Regulation of Kerala University of Health Sciences.
2. Recommendation of the Board of Studies of Rehabilitation Science held on 02/03/2016.
3. Recommendation of the Faculty of Allied Health Sciences held on 08/04/2016.

ORDER

As per the existing Kerala University of Health Sciences Regulations, for Bachelor of Audiology Speech & Language Pathology (BASLP) course there is no supplementary clinical practicum examination. As such students are not eligible for promotion to higher class if they fail in this clinical practicum examination. But for theory examination there is supplementary examination for failed candidates. This will lead to a lag one year for the unsuccessful students.

Considering the importance of this situation, the Board of Studies of rehabilitation Science in its meeting held on 02/03/2016 has recommended to conduct supplementary clinical practicum examination for the benefit of students.

As per the reference cited (3) above, the Faculty meeting of Allied Health Sciences has approved the above decision of Board of Studies with effect from 2010 batch students onwards. Under this circumstances sanction is hereby accorded by the Hon'ble Vice Chancellor by exercising his powers under section 12(7) of Kerala University of Health Sciences Act 2010 to conduct supplementary clinical practicum examination for BASLP course for the students of 2010 batch onwards, subject to the ratification by the Academic Council and Governing Council of Kerala University of Health Sciences.

The existing regulation is modified to this extent. Orders are issued accordingly.
