## AZEEZIA COLLEGE OF DENTAL SCIENCES AND RESEARCH, KOLLAM

Earth Day was observed as a day of education about environmental issues and is an annual celebration that honors the achievements of environmental movement and raises awareness of the need to protect Earth's natural resources for future generations. With the theme: 'Invest In Our Planet', World Earth Day 2023 is celebrated on April 22nd all over the world.

As a part of this day, Department of Public Health Dentistry, Azeezia College of Dental Sciences and Research, NSS and Eco club jointly celebrated the event by installing eco-friendly water feeders for birds in the campus on April 24th 2023. The Water feeders were installed by the students and Vice Principal inaugurated it by pouring water into it. The posters regarding Earth Day were also exhibited at the reception area of the dental college. All staffs, third years, final years & interns of the department were actively involved in the program.
