## CIRCULAR

### For the Information of Students, Faculty and Head of Institutions

Sub:- Entry of attendance and IA Marks during the registration of **First Professional MBBS (R/S) Examinations (2019 scheme) July 2024**- Reg.

Ref: Letter no. 33970/2023/Ex Med/B1/ KUHS dated 17.10.2023 to all Principals of affiliated Medical Colleges.

As per the letter read above, it was instructed not to upload the fresh attendance and Internal Assessment Marks during the registration of Supplementary Examination for the Candidates (I, II & III Year) who were once eligible for an MBBS Examination.

Considering the enquiries received, the University have examined the above matter in detail and clarified the following for the Examination registration of **First Professional MBBS (R/S) Examinations (2019 scheme) July 2024**.

- **Attendance and internal assessment marks** of all the First Year students of the institution shall be uploaded to the Web portal (both eligible and ineligible candidates) before the Regular Examinations.
- **For those students who remain ineligible to register in the Regular examination due to shortage of Internal Assessment marks**, revised Internal Assessment marks, if any (as per KUHS Regulations) can be uploaded to the Web portal, before the Supplementary examination.
- **The students who remain ineligible to register in the Regular examination due to shortage of attendance will result in year back and have to join with the junior batch to continue their studies/training.**
- **For those students who failed to clear the First Professional MBBS Examination previously** (either due to a fail or a non-attempt after both Regular & Supplementary examinations resulting in an year back situation and subsequently joined with the junior batch to continue the studies/training) the attendance and internal assessment marks have to be uploaded afresh to the portal in the subsequent regular examination (Similar to the Regular students of that year-for the failed subjects) after earning the attendance and internal assessment marks along with the junior batch (No carry forward of the previous year's uploads).

**Controller of Examinations**

To

Principals of all affiliated Medical Colleges
