STEPS FOR REGISTARTION

Step 1: click on the registration link and submit the registration form

Step 2: The request will be forwarded to the Principal of your current institution when faculty register for the program. The list of faculty registered for the program will displayed in 'Workshop and Training' page on MOOC menu in the Principal portal.

Step 3: The registration request will be complete only when the Principal forward the request to University.

Note* - The selection of the participants will be done as per the criteria mentioned in notification by the University.
