

From the desk of the Vice Chancellor

Dear Graduates,

Congratulations on becoming the proud graduates of the esteemed Kerala University of Health Sciences!

You are graduating at a very critical time in the history of mankind, when the Covid 19 pandemic is threatening the very existence of the human race. This serious health challenge has to be confronted at the grassroots level and you are the most competent people to do so.

We all decided to become health professionals with a commitment to help our fellow citizens. This is the time to demonstrate our commitment to our brothers and sisters.

Our Government is doing an excellent work to control the Covid 19 pandemic in our state. We must support the Government and our people during these trying times.

The State Government has requested for your help in fighting this pandemic. Accordingly, we have forwarded your names and professional details to the Honorable Chief Minister. You will be appointed shortly with a reasonable salary, and all facilities will be provided for your safe stay. The safety of your families will also be given due consideration.

Please join the efforts of the Government and the society at large. Let us fight this pandemic together. We shall definitely win this war and save our fellow citizens.
