Respected Sir / Madam,

I would like to bring to your kind notice that the Central and State Government have implemented some scholarship schemes beneficial for the students of minority communities, considering their socio-economic and educational backwardness and with the intention to bring them to the main stream of the nation. They feel that it is very essential for the national integration and nation building.

The following are the main scholarships for the students.

- **Professor Joseph Mundassery Scholarship Award** – For minority students who scored higher marks in SSLC, +2, UG & PG.
- **C.H.Mohammed Koya Scholarship** - For Latin Christian, Converted Christian and Muslim studying in UG/PG/Professional courses.

It seems that some departments/colleges of your university have very enthusiastically encouraged the students to apply for the scholarships. But there are some funds unutilized in our Minority Welfare Department as some departments/ colleges failed to apply for the C.H.Mohammed Koya Scholarship & Professor Joseph Mundassery Scholarship Award.

Hence, I may request you to direct the principals/HODs/Concerned Sections to direct the Minority students to apply for C.H.Mohammed Scholarship & Professor Joseph Mundassery Scholarship Award to ^{be} considered in the second slot.

Kindly visit www.minoritywelfare.kerala.gov.in for more details.

Yours faithfully,

Director
